

JANUARY EDITION - 1978

EXECUTIVE AND OFFICERS

THE NORTH SHORE AMATEUR RADIO CLUB

President	Bob Miller	VE3HNH	723-0601
Vice-President	Don Dewey	VE3GEN	668-8776
Secretary	Cy Hamilton	SWL	263-8157
Treasurer	Steve Wotton	VE3CFG	725-4197
Registrar	John Plulster	VE3FGL	655-4269
Get Well Cards	Ted Brant	VE3ADD	668-3561
Editor	Glen Flintoff	VE3AEQ	725-6408

NEXT MEETING:

The meetings return to the O'Neill Collegiate study room on the third floor on January 10 at 8:00 p.m.

The feature topic will be on Computers - Don Cole HYW, will be the speaker.

NEWS ITEM:

Bob HNH and Dianne are still awaiting the arrival of a junior operator. Dianne is guaranteeing delivery this week. Bob has a new phone patch all ready to pass the word.

Ed CUI is debugging his new homebrew linear containing four 811A's with mercury vapour rectifiers in the power supply - good luck Ed.

Ron AIY and Ed AZV were seen purchasing books of matches, and since neither of them smoke I would suggest that the grass-skirted girls in Hawaii start carrying fire extinguishers.

Our congratulations and best wishes go to the newly formed executive and our sincere thanks for a job well done to Bob HNH who is still with us and the incumbents, Ralph CRK and Doreen FUR.

Those who didn't attend the Wine and Cheese Party missed a nice social evening and those who did, know it was a success thanks to Bernie ATI, Doreen FUR, and Ken FPP.

Don't forget your quarters for coffee and cookies.

Next month's bulletin will contain a new membership list. Please remember your 1978 dues. Your club is a current success and gaining momentum with your loyal support.

NET NEWS:

Report of Activities of The North Shore Amateur Radio Club Two Metre Net

May I in opening extend to all my sincere good wishes for good health and happiness throughout 1978.

Interest in the net is continuing to grow, and during the month of December, five nights, the average number of check-ins from November's 38 to 39.6. This is a worthwhile increase when one considers the many other things that had to be done, not the least of which were preparations for the 'Big Day'.

January 4, 1978

JANUARY EDITION - 1978

A modest amount of traffic was handled, including a call to the Oshawa P.U.C. re a pole-transformer fire, and calls for travellers snow-bound, or otherwise delayed. Don VE3GEN announced that he had several items of older equipment for very reasonable sub-basement prices. Enquiries welcome.

Don WA2ACN very kindly had Bill WA2MCH make a very nice gavel, which Don in turn sent to me. Thank you Don, and I will use it to call the net with pleasure. Our D.X. for the month was Syracuse, N.Y., Don WA2FXQ, and Earl WA2HXJ, Glenwood, N.Y., coming in nicely on four watts.

Again, my thanks to all who have helped to make the net successful, and on their behalf I extend a cordial invitation and warm welcome to newcomers to 'Call-in'.

73 es 88, Perce, VE3AEX

The following Financial Report on our repeater VE30SH covers the entire time from its inception to the present. Harry QG submits the following information. It transmitted 2,443 hours in 1977.
