NEXT MEETING:

The next meeting will be in the lunch room of the O'Neill Collegiate at 8:00 p.m., Tuesday, May 8, 1979. Featured will be an interesting lecture on a Bilateral Converter for ASCII to Baudot language for amateur RTTY. Bill O'Conner, KDM, will be the guest speaker.

NEWS ITEMS:

Our Field Day Manager, Vic Naderer IHK submits the following report -

Tent Managers will be - 2 Metres - Milt QN requires operators
for CW - Call 668-2362

for 20 Metres - Interested operators call Bernie AT! 655-4156

for 40 and 80 CW - Pete Solly at 728-5757
for 40 and 75 phone - Gary EPY at 723-9915

The Field Day will be at Eric HMG's QTH with his XYL assisting in the hospitality.

Portable M.G. sets for power would be welcome. A volunteer Field Day work party will be a dire necessity for June 19 and 20, if we have rain, June 21. Field Day is June 23-24.

For further information call Vic IHK at 668-8507 or
Assistant Manager Andy IQV at 576-4851.

MAY EDITION - 1979

Don't forget the guided tour of the new addition of the Pickering Nuclear Station at 9:30 a.m. on June 2, 1979. Lorne Proctor BJB needs to know how many will attend. There will be a bus service for the ladies and anyone requiring assistance for the tour. Please advise your executive of your intentions.

Cy LET advises that the Club Liability Insurance has been taken out with The Economical Mutual Insurance Co., Kitchener, Ontario. As a result of his 'shopping around' he obtained a basic \$500,000 Personal and Property Damage coverage for such things as field trips, monthly meetings and unspecified activities for a \$100 premium - good work, Cy.

REPORT OF ACTIVITIES OF THE NORTH SHORE AMATEUR RADIO CLUB TWO METRE NET

Net attendance held up well for the month, there being an average attendance of 47 per night, and considering the competition from play-off hockey, this was very good. It was interesting to have Al VEØMDM check in. Our first 'bona fide' Maritime mobile. He was going through the Welland Waterway.

We were all saddened by the loss of Don VE3HDV this month. It was a long, painful struggle, but now at long last he is resting in peace.

We missed you on the net last Thursday, Rae VE3RP, and we trust that things are sorting themselves out for you. And a warm welcome back to Monty VE3BAZ after his absence. It was good news to learn that Nancy is making steady progress. Our editor, Glen VE3AEQ, is suffering the miseries from a back disorder, which we understand is improving. Hang in there, Glen.

Your Net Controller has been operating under difficulties this month, and I would like to say 'thank you' to all who have inquired as to my health. All being well, I'll (hopefully) be good for another 1,000 miles!

And now, the usual thanks to all who in any help to make the net a success, and a warm welcome to all to check-in. How about you YL's and XYL's? You are all very welcome!

73 and 88,
Perce VE3AEX, Net Control

MAY EDITION - 1979

COMING EVENTS:

Don HYW forwards his best wishes for success to all who are taking the D.O.C. exams on May 9 and all of your fellow hams echo the sentiments.

Bill Burell and Bill O'Conner KDM outlined in detail a requirement for help from the amateur fraternity for communications support in conjunction with the movement of handicapped participants for the Summer Games being held July 12, 13, 14, 15. Get your hand held units in order gang. Steve CFG is acting as co-ordinator between their people and ours and it will be a big undertaking, so more on this later.

FOR SALE:

5 only - basic 45MHZ 'Receive Only' Crystals
for sets with 10.7 IF
Work at 147.47 MHZ
