REPORT OF ACTIVITIES OF THE NORTH SHORE AMATEUR RADIO CLUB TWO METRE NET:

Net participation continued at an encouraging level for the month of September; the number of stations calling in averaged 47 per night. There was a fair amount of traffic handled with many 'satisfied customers' being able to exchange information, set up skeds, etc. We are developing quite an international flair, as on September 20th seven American stations called in, the largest number yet, excepting for one night last year when unusual inversion conditions were present. My thanks to our editor, Glen VE3AEQ, for very capably taking the net on September 6th. From comments heard you did a fine job.

To those on the sick list we extend our good wishes for a speedy recovery. The ones I'm aware of are Tom VE3HWI who had an unpleasant cold, Phil VE3DQK with a throat infection, and Cliff VE3ENR who is still in his cast. We hope that Milt VE3QN and Gladys are enjoying their visit to the east coast, and, of course, welcome back to Don VE3HYW and his family after their visit back home. And now a reminder to all club members:

DON'T FORGET TO SAVE ALL THOSE DOMINION STORE CASH REGISTER TAPES. Let Ralph VE3KDN, Evan VE3IND, or Perce VE3AEX know when you have a bundle and arrangements will be made for a pickup. There are so many worthwhile needs that can be helped as a club project, but the basic requirement is bushels of tapes, so let's go!

And in conclusion, our usual sincere thanks to all who in any way help to make the net a success, and a warm welcome to newcomers.

73 and 88, Perce VE3AEX, Net Control
