P.O. Box 171, Oshawa  
Ontario L1H 7L1

## Increase In Dues

Well it has finally happened to the N.S.A.R.C., inflation has caught up with us, the current membership dues no longer cover the cost of the bulletin, not counting the other activities the club supports such as Field day, Sermon On the mount, the Corn Roast and the ever popular Christmas Party. and considering the bulletin copying cost at the moment is nearly nil we are well past an increase (the cost of just getting the bulletin photo copied would be well over \$60.00 a month or another \$700.00 dollars a year). The increases are in affect as of January 1 1994, so everyone will get notification in the November and December bulletins. A full membership will be increased to **\$20.00 dollars**, an associate membership will be **\$15.00 dollars** and a family membership will remain at **\$5.00 dollars**. (Editor)

## Minutes October 11 1993

Meeting was called to order at 19:45 with Richard Button, VE3RJB presiding. Alan Kirby, VE3ZXB, a very newly licensed ham was welcomed.

Treasurer's report was not available as Laird was not able to attend the meeting.

Life membership plaques were awarded to Eric Atkins, VE3HMG for his devotion of service for keeping the VE3OSH repeater on the air. Bernie Sandbrook, VE3ATI was also recognised for his devotion to code on the net on Thursday nights on VE3OSH. John Nicholls, VE3SII reported on the ham classes at Eastdale Collegiate on Thursday nights.

The club membership fees will be \$20.00 for the 1994 season.

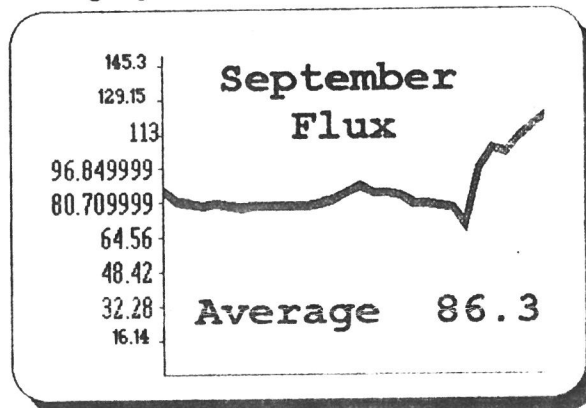

JOTA at Camp Samac was on Saturday October 16th 1993.

November meeting will be held in the theatre located upstairs in the Arts Resource Centre in Oshawa.

The decision to move the repeater will be delayed until next year to give more time to study the proposed repeater sites, and the move

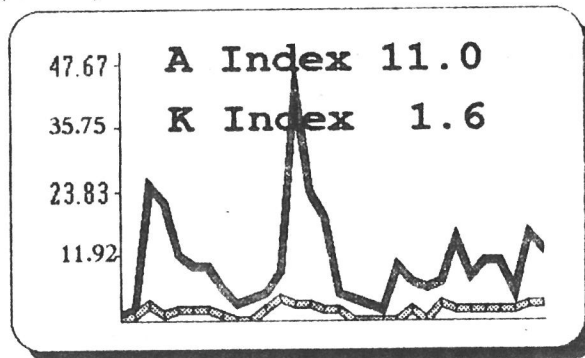

of the two repeaters, VE3OSH and VE3NAA will be targeted for the late spring.

The guest speaker was Mike Sherba, VE3DKW, who gave a very interesting talk on old radio equipment of the 1930's and 1940's. Meeting adjourned at 9:30 P.M.

## Trivia Question

Do you know what forced Almon B. Strowger to invent the dial telephone? (VE3DKW)

## Trivia Answer

Almon B. Strowger who was the inventor of the dial phone earned his living as an undertaker. (Editor)

## GOTA Cancelled

Unfortunately the setup scheduled for Blackstock on October 16th was cancelled due to problems on their end. The setup at Camp Samac was a go and I hope to receive a report of the activity from VE3BTR Tom for the next bulletin. (Editor)

**Wanted** low current audio choke, 8MA, 200 to 500 henrys  
call VE3FRM Ed 905-985-3790
