SANTA CLAUS PARADE

Ralph 3CRK and Glen 3LIZ did a great job of organizing things for the Oshawa Santa Claus Parade. Fifteen amateurs participated in the communications end of the job. NSARC also collared Judges for this gala event from the Durham Police Dept., Fire Dept., Durham S.A.C., Downtown Business Merchants and the Campo Company.

The Gold Wing Riders Motorcycle club was rounded up for short run trouble shooting and marshalling. They did a splendid job. The whole grand production was covered by Rogers Cable T.V. Both two meters and 67 cm simplex equipment were used by club members. The following members gave freely of their time to make the parade a success.
