Thanks to Martha VA3SBD and Walter VE3FJC for submitting items for this month's newsletter.

January Meeting

David Pearce, VE3DVP, will be on hand to do a slide presentation on short wave radio station HCJB, the Voice of the Andes.

PLEASE NOTE! Our meetings are now on TUESDAY evening at 7:30pm at the RED CROSS office in the Oshawa Centre. Take the mall elevator by Sears to the second floor (formerly "The Shops Up Top").

Vice President's Message

Well hello once again. I hope you all had a wonderful christmas and got what you asked for. Well it is the new year so I'll start off by saying Happy New Year to all. Have you made your new years resolution? I know I have several resolutions and hopefully I'll be able to keep them. One resolution I have is to have at least one article in the newsletter this year and well that resolution is already been done.

I hope most of you could make it out to our christmas party last December. I saw quite a few new faces there and happy to see some old faces as well. Peter VE3ZZV brought in some pictures from the corn roast and there were fantastic. The christmas party was fun and thankyou to all those people who put a lot of time into preparing the different treats for the party. One person we specifically want to

thank is Laird VE3LKS for bringing all of the meats, juices, and the main course. It was delicious. We had quite a lot of food and we didn't eat it all so after we were finished we took the food to the settlement house for all those unfortunate people. Thank you once again for those who helped out with the christmas party.

I hope all of you out there had a wonderful New Years. My New Years was fabulous and like always I hope all you people made New Years resolutions. Well I better be signing off so until next time 73's, 33's, and 88's to all you out there and I'll talk to you next month.

Martha Dinsmore, VA3SBD

My Soapbox, Please

First off, I would like to thank everyone for helping the Christmas Party a success. All the treats that you brought for desert were fantastic. Special thanks to Winnie VE3VHX and his wife, Marg VE3BNN, and Mike VE3VCY for helping me get organized and cleaning up afterwards.

Well, as you see this is a very short newsletter this month. I will not belabour the point but I will say that it is up to YOU to supply me with info and articles for the newsletter. No articles equals short newsletters. An average month takes about 8 - 10 hours to input info and layout the newsletter before I send it to Glen for copying. This does not leave me with time to go looking around for articles so please send me some! This month I have to apologize for not getting the updated Swap Shop listing as my packet station was down and when I had it back up BBSBBS was down. Sorry Walter for not getting the info.

Anyway, I must get packing for my trip to Tennessee so until next month - 73!

Laird, VE3LKS

New Meeting Night

Meetings are now held the second Tuesday of every month at the Red Cross offices in the Oshawa Centre. Take the small elevator by Sears to the second floor. See you there!

December Minutes

Earl delivered the treasurers report for up to the month of December. So far we still have some money. The total inflows to date is \$5,086.47. The total outflows to date is \$4,402.96. Overall we have spent \$683.51. Our total assets come to \$8,544.44 and our total liabilities and equity comes to \$8,544.44. The report was motioned by Les VA3LTB and seconded by Len VE3LBN. It was carried.

We got two new members on the board of directors. These two members are Mike Maclean VE3VCY as program director and Howard Mugford VE3TYQ as president. Good luck gentlemen.

Durham Region Hamfest will be held on April 26th it has been confirmed.

With there being no new business we held our party and the meeting was adjourned as 2100.

Martha Dinsmore, VA3SBD

If the type and style of this insert appears different, it's because we had to resort to the "original" cut and paste method in order to get this info out to the members in time. With apologies to Laird, (how dare he take vacation) we had to produce the text on a different computer, print it and then glue it into this space. Isn't technology wonderful? For those members who have been making inquiries about Harry VE3QG's equipment, at present, the following are available for sale. Please contact Ralph, VE3CRK by the March club meeting at the latest if you are interested. If the equipment is not sold by then, it will be sold at the April flea market.

Meaningless bits of information - this newsletter is laid out using WordPerfect 6.1 for Windows and the original copy is printed on a Brother HL-660 laser printer. Also, if you happen to have any complaints you are more than welcome to become the next bulletin Editor. Seriously, all constructive criticism will be accepted and treated accordingly. If you would like to see more technical articles then get the lead out and get writing. I can write till I'm blue in the face about computers and some of it you can apply to Amateur Radio but it would be nice to see some technical stuff as well.
